Phone - (613) 967 - 1314 / Cell - (613) 403 - 4688

General:

A live comedic variety show that consists of juggling, magic, balance, improvisation, and audience participation.

- DOES NOT use water, or animals.
- Fire juggling is OPTIONAL and based on venue.
- Knife juggling is OPTIONAL but is the usual finale.

Time:

- Running time: 10 - 45 minutes
- Setup: 5 minutes
- Take-down: 5 minutes

Indoor Stage:

- A level, hard surface. Minimum dimensions: 10' wide x 8' deep by 10' high.
- Bigger spaces are generally better. If the stage is elevated, there should be stairs for easy access to the audience.

Outdoor Location:

- A level, hard surface. Minimum dimensions: 20' circular space plus room for audience.
- If under a canopy, minimum 10' height, with easy access to the audience.

Indoor Lights and Sound:

- The show requires no lighting cues. A general wash is all that's necessary.
- Sound can be run from Caleb's own PA, or can be run from the house PA if sound technician is available.

Outdoor Lights and Sound:

- Self-contained sound. Should the performance be happening after dark, however, please make sure there is ample lighting in the venue.

Caleb can work under a wide variety of conditions. Please call with questions or concerns. He can usually accommodate!
